

SPONSORSHIP PROGRAM

No Boundaries Disability Support Inc. have been providing assistance to young adults living with disabilities since 1994! We welcome all participants and families from the Moreton Bay Region.

Our team provides exceptional support to our families and ensure that we give our participants the highest quality of care. We welcome family visits and always have an open door. We have developed various methods for communicating and connecting with non-verbal individuals using innovative equipment and an on-site Sensory Unit Specialist to create a secure and engaged area for participants to express their choices.

Our ability to continue offering the highest quality care possible, that is customised for every individual who accesses our service, depends on the support of the community and families. We are passionate about what we do and want you to become a part of our No Boundaries family!

Listed below is our No Boundaries Disability Support Inc. sponsorship program. We value your contribution and hope that you will work with us as a partner.
