

COMMUNITY *Engagement*

WHAT TO EXPECT

Do you want to get out into the community and experience a range of different experiences? Every week we try and explore exciting new venues including the Bribie butterfly house, trips on the city cat, museums, parks, the movies, bowling, ice skating and much more.

WHAT ARE THE BENEFITS

- Community access will help you feel a sense of belonging and well-being
- It give you opportunities to build relationships with friends
- It will help increase your confidence and build your ability to participate with your peers
- It will help you develop skills to be more independent and feel safe in your community.
