

# 2022/2023 SPONSORSHIP PROGRAM

No Boundaries Disability Support Inc. has been providing support to young adults living with a disability since 1994! We welcome all participants and families throughout the Moreton Bay Region.

Our team excels at providing support to our families, and ensures we provide the best level of support and care to our participants. We have an open door and welcome family visits.

As part of our innovative support model, we introduced the Sensory Unit in 2013. With leading technology and an onsite Sensory Unit Specialist, we have found different methods of communicating with non-verbal individuals to provide a safe and interactive space for participants to express their choices.

It is with community and family support that we are able to continue to provide the highest level of care, that is tailored for each individual to access our service. We love what we do, and we want you to be included too.

Please find below our 2023 Sponsorship program for No Boundaries Disability Support Inc. We value your contribution and we hope that you can partner with us for 2022/2023.
